NYS DMV is working on a number of ways to make more CDL tests available, in particular for school bus drivers. One idea we'd like to do is to get names from your members of people who need road tests. We will do whatever we need to get them an expedited test.

Would you be able to survey your members to see who needs tests? We will then work with them on scheduling the tests.

Information that would be helpful to receive up-front would be:

- Name
- DOB
- Client ID Number (from permit)
- Phone number
- Email address
- Employer
- Preferred testing region

Based on what we are seeing, there isn't much of a wait to get a CDL permit in an office, or to upgrade to the CDL license following the road test. However, if you know of delays in those areas, we can surely address them.

Let me know if you'd like to discuss over the phone, and please have all responses sent to the mailbox – dmv.sm.TandI@dmv.ny.gov or you can contact the St. Lawrence County Clerk's Office for assistance at 315-379-2237 or swsantamoore@stlawco.org.
