

## **Do you like working with children?**

**Do you like the idea of a flexible schedule, working with children and their families in their home or other natural environments? Do you have a job but would like to pick up extra work? Are you retired but would like to work part time? Do you have a current licensure in any of the following areas: Speech Pathology, Physical or Occupational Therapy, Special Instruction, Teacher of the Visually Impaired or Teacher of the Hearing Impaired?**

**The Early Intervention and Preschool Special Education Programs in St. Lawrence County are looking for providers to service children (birth to five years of age) who have been identified as delayed in one or more areas of development. If you are interested in providing any amount of service please call the St. Lawrence County Public Health Department at 229-3460 for information about how you can help.**
